CMS FAMOUS TOYS LTD - STOP SALE AND RECALL NOTICE

Dear Valued customer,

A health and safety risk has been assessed with a 1amp USB home charger, which you have purchased from CMS Famous Toys Ltd between December 2014 & March 21st, 2018. Health Canada has taken samples for testing and determined that the USB charger did not pass the CSA C22.2 60950-1 electric strength test. The unit may present a fire hazard or pose the risk of electrical shock.

There is one style of charger that is affected and might have been purchased in different colours. An immediate stop sale action is required on the following:

| Part# | Description | UPC | Colour |
|---------|------------------------|--------------|--------|
| XT88541 | USB HOME CHARGER 1 AMP | 805106885410 | BLACK |
| XT88544 | USB HOME CHARGER 1 AMP | 805106885441 | BLUE |
| XT88545 | USB HOME CHARGER 1 AMP | 805106885458 | GREEN |

Sourced from: Jem Accessories / Jemtronix / XtremeCables, Edison, N.J. 08817. Country of Origin: China

If you have inventory on the above, please immediately remove it from your shelves and storage areas. The item cannot be corrected and instruction to destroy at store level is provided.

Consumers should immediately stop using this product.

CMS Famous Toys Ltd is providing full credit on all units purchased. A credit memo will follow and will be issued on a store by store basis.

Credit is to be provided to any consumer that has purchased the item from your store.

Questions or concerns should be directed to your sales rep or to CMS Famous Toys Ltd Operations Manager – Duncan Birt. 780-442-3525 or Toll Free – 1-877-886-8697 ext. 105, email: productrecall@famoustoys.ca.
